Chew the rag all day or win the contests...

the CX7A makes them both easier.

There are a couple of different ways to look at signal/one's CX7A. You might compare it to a car.

For the rag-chewer's convenience and ease of operation, it's strictly in the Rolls-Royce category.

For the competitive-minded amateur, it's like driving a Ferrari.

That's because the CX7A was designed with uncompromising quality. With more features than you can imagine. The rig equals a room full of gear, all neatly enclosed in a compact, desk-top unit.

It lets you do things no other rig lets you do. And do all of them better. Sitting at the console of the CX7A you're in command of the amateur radio universe.

Whether you're a Rolls-Royce type or a Ferrari-minded guy.

See the remarkable CX7A at your signal/one dealer's. Or write for a detailed brochure. For $2,195, you'll be the coolest rag-chewer in town.

Or the hottest competitor.
